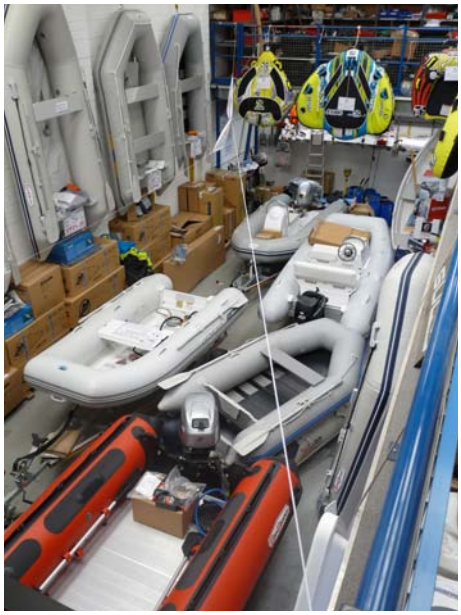
BOATYARD NEWSLETTER **Issue 19 - Spring 2013**

MAKING WAY FOR THE NEW...



Plans are afoot for improving our service to you. We are re-locating our centre of boat sales, retailing and offices from the yellow sail loft to the 'mezzanine' building next door. This will hopefully be completed by the end of the year, ready for the 2014 season!

We will be undertaking extensive redevelopment work including installing new windows and doors and generating a fresh, dynamic floor space and layout. The new building will be light and welcoming; creating a warm and friendly environment. We are looking at relocating the main staircase up to the first floor giving us the possibility of constructing a flybridge with coffee shop providing great views across the yard and workshop. We are going to set up an internet station for our customers and have video projectors showing different promotions and boats.

It will be much more modern and up-to-date with lots of new products and displays but we are still committed to upholding our Fair Price Policy. Everything will be under one roof: New and Second hand Boat Sales, Chandlery, Clothing and Footwear, Inflatables, Water sports equipment, Engines, Marine electronics, Parts and spares, Aftersales and Warranty, Workshop and Yard services, Accounts, I.T., refreshment facilities and much, much more.

To bring all the departments together we obviously need to create space, clear the decks, sell a lot of our stock. So without any "catch" 2013 is a special offer year where there will be many bargains, opportunities, discounts and up to 70% off! You are all very welcome to take advantage of this unique year. There will be many a 'one-off deals' so 'when its gone, it really has gone'.

We look forward to seeing you soon at Morgan Marine. However, if you can't get down to see us and you still want to benefit from our huge clearance sale, please visit our online shop

www.morganmarinedirect.com

Remember - our yard prices have remained unchanged and can be downloaded from **www.morganmarine.com/yard** or call in and ask for "The Pink List"

COME TO SUNNY CANET

Morgan Marine have made a great partnership with a family run boatyard in the port de Canet en Roussillon.

Canet is in the South of France near the border with Spain and is easily reached from Stansted to Perpignan, France on Ryan Air. Sunny Canet has beautiful beaches, amazing sea coves, restaurants, hotels and of course, a wonderful marina with all the facilities and amenities you and the family would require for a great holiday, long weekend or Mediterranean adventure. The port is not only a leisure zone but also a technical platform of numerous qualified and experienced professionals in the marine trade.

Our contact is Eric Tordjman of Alliance Nautique 66. He offers excellent value moorings and facilities including boats on hire at reasonable rates with or without Skippers. So if you want a season in the Med, Eric is an ideal port of call.

If you are interested, please contact Eric direct on **direction@an66.fr** or visit **www.an66.fr**

Are You Ready?

- ☐ Have you de-winterised your engine?
- ☐ Is your fuel clean and are your batteries topped up?
- ☐ Are your anodes worn?
- ☐ Is your trailer in correct working order?
- ☐ Have you got appropriate clothing and footwear?
- ☐ Have you got life jackets or buoyancy aids?
- ☐ Is your mooring or Park and Ride space booked?
- ☐ Are your electronics in working order?
- ☐ Is your boat insured?
- ☐ Is your safety equipment in date?

- A full rigging and fit out service.
- Upholstery, canvas and canopy work
- Shrink wrapping service
- Bow thruster and windlass.
- 25ton hoist and crane facility available.

Please call Andy Pearce on 01206 303519

Yard Safety

We have installed a speed-bump at the entrance of the boatyard along with traffic calming measures with signs to remind all drivers about the 5mph speed limit. These measures are to increase safety in the yard which is used by pedestrians and other vehicles but most importantly the hoist. They should also help to protect and prolong the road surface.

24 hour CCTV protection is in use throughout the Morgan Marine boatyard to help safeguard property belonging to us and our customers.

The main gate is locked outside business hours. Please remember to close and lock the gate behind you, jumbling the numbers on the padlock when you arrive or leave when we are not on site. This is to benefit the boatyard community.

Please Remember...

- 5 MPH throughout the Boatyard.
- All dogs must be on leads.
- Dog owners are responsible for cleaning up after them.
- Put rubbish in the bins provided.
- No running on the pontoons.
- Wear appropriate footwear on the pontoons.
- Plug into electricity through a Morgan Marine meter.
- The hoist has right of way.
- Park in the areas provided - keep the workshop area clear.
- Keep the slipway clear at all times.
- Children must be accompanied by an adult.
- **Outside contractors must register daily and pay a small fee at reception.**

MORGAN MARINE SOCIAL MEDIA

Find Morgan Marine on Facebook, Twitter and Youtube to keep up to date with our latest news, events, special offers, photographs and videos.

Come and see our guided tours of the Jeanneau NC 9 and the Prestige 450 Flybrdige produced at the London Boat Show 2013. They demonstrate features such as the hydraulic tender lift and electric lowering saloon table. They also highlight areas such as the engine room, galley and cabins.

Scan the QR code to see our videos on YouTube. More videos to come soon - look out for us at the Oscars!

MEET THE TEAM

Our improving and expanding workshop is ably overseen by Chief Engineer Colin Trevelion (left).

We are delighted to welcome Rob Lawler (right) to assist Colin in our busy boatyard workshop.

Rob comes from the windfarm industry and is a multi skilled and technical engineer who is making a big impression on our customers through the workshop and yard.

With Andy, Russell, Kam and Martin - the workshop continues to provide excellent service and quality. Do introduce yourself and say 'Hello' to the team when you see them.

Colne Yacht Club • Brightlingsea Sailing Club • Brightlingsea Boat Yard

GET INVOLVED WITH THE BOAT SHOW

If your boat is on brokerage with us then it will be displayed at the Brightlingsea Boat Show. We encourage you to consider a promotional price for your boat during the Boat Show weekend (we will contact you).

If your boat is not on brokerage with us but you would like to sell her personally at the show, then contact us to book your space. If you have any marine equipment you would like to sell, then a stand at the Brightlingsea Boat Show might be the ideal opportunity for you to find a buyer. There are marine jumble stands which you can join.

Also, if you are part of a local club or organisation and would like to represent it at the Boat Show and Regatta, please contact Ric Morgan on 01206 302003 or book online at **www.brightlingseaboatshow.com**

FREE TECHNICAL ADVICE

Meet the engineering department at the boat show. Colin Trevelion (Chief Engineer) and crew will be manning a free technical advice desk on all workshop related issues during the boat show. This is your chance to have a free discussion.

Thinking of selling your boat?

- NO sale... NO commission...
- 40 years brokerage experience
- Open 7 days a week
- 3 months free storage (sole agency)
- Sales sheets, boat signs and display boards
- Exhibiting at 3 annual national boat shows
- Advertising in marine magazines and on boating websites
